

COMPANY ASSESSMENT OF THE HAZARDS ASSOCIATED WITH OUR WORK ACTIVITY

The following list of hazards was compiled in consultation with our employees and sub-contractors:

- Lifting and handling.
- Working at heights.
- Asbestos.
- Electrocutation.
- Falling objects.
- Working alone.
- Working in confined spaces.
- Dust.
- Mineral fibre.
- Adhesives.
- Fire.
- Trips.
- Noise.
- Cuts.
- Display screen equipment.
- Dermatitis.
- Stress.
- Working with other trades.
- Use of steps.
- Power tools.

This assessment will be reviewed annually.
